Camp Welcomes Two Alumni to the Job of Alumni and Donor Relations

Peter King is the new Director of Donor Relations at YMCA Camp Huckins. Peter spent 10 summers at camp before beginning a career in event management and donor development. While at camp, he worked in a variety of areas starting in the kitchen and finishing as program director in 1979 with a couple of years spent driving the ski boat for good measure. After teaching 4 years of elementary school, Peter began a 35 year career in the non-profit world. He has developed, directed and enhanced million dollar fund raising events, managed annual campaigns and successfully solicited numerous major gifts. Peter and his wife, Jill, have volunteered the last two summers at camp and thoroughly enjoy being part of every day camp life.

Stephanie Paine is the new Director of Alumni Relations. Having most recently served as Chair of the Capital Campaign, Stephanie has been a Carroll County YMCA/Camp Huckins Board Member, Staff and Camper Parent, Family Camper, Staff member and Camper. Stephanie and her family live in Freeport, Maine where she has served on community boards and as a parent volunteer in the public school system. Her last job at Huckins was serving as Assistant Program Director under Jody, and is happy to be back working with her and the Huckins staff.

Peter and Stephanie will share this position and are looking forward to connecting with all members of the Huckins family.

...New, but Familiar Faces

Counselor to Camp Director – Mark Cadman, a True “Huckins Boy”

A young man from Telford, England with a thick British accent first arrived on the shores of Lake Ossipee to work as an au pere for several young staff boys in 2006. Mark's infectious enthusiasm and easy adaptation to the culture of camp led to his return the next summer as our Assistant Sports Field Director. Mark has a wonderful way with children and the campers loved his positive attitude and his willingness to join in. With each returning summer, Mark's leadership skills blossomed. He became the Sports Field Director in 2009 and began showing a great deal of interest in getting involved with camping as a future career. That fall, Mark pursued his desire to learn more about camping; he applied and was granted a twelve month internship through CCUSA. Mark then observed our organizational operation for an entire year. In that role, Mark did a great job with the store,

Mark, Maxine, Jody and baby Mae

creating a new non-profit store website, and continued to work on our capital campaign.

Due to his hard work, genuine attitude and dedication to camp, Mark was hired to work full time for Huckins and has worked year round the past 3 years. Our camp has many beautiful traditions and a very strong

spirit that is passed on from staff to camper. Mark Cadman is one of a few “guys” that understands and embodies the Huckins spirit. He gives 110% all the time and he “gets it”. He realizes the value of the camp experience and how important it is that we take time to teach leadership to our children.

During his time at Huckins, Mark's imprint can be seen in countless programs and projects: the revitalization of the archery program and the advent of Sha-a-a-r-p-shooter awards, solar panels on the leadership bathhouse, recycling bins, compost heaps, farm animals and pig buckets, tier-pricing, online store, alumni groups and Huckins Council.

Mark is ready to make a career in the field of camping and we congratulate him as he begins his new position as Camp Director for YMCA Camp Lincoln in Kingston, NH, a branch of the Exeter YMCA.

All About the Alumni

The 1950s & 1960s

We had a great day with Alums visiting this fall. Hal Brown was visiting from AK, and Huckins friends gathered at camp for the day.

Left to right: P. King, R. Shaw, H. Brown, the Hermances, S. Macintosh, R. Shaw, the Therriens

The 1970s & 1980s

Nancy Voorhis lives in Holderness, NH. She is married and has a 13 year old daughter. She enjoys hiking in the White Mountains – a love that first developed at Camp Huckins.

Joanie Leopold is a new grandmother! James P. Leopold was born to son, Joe (staff kid in 1988) and his wife, Liz, in April.

Meredith Prichard Jensen and her 3 sisters loved their years at Huckins. Meredith lives in California and her daughter, Maggie, attends Huckins with her best friend's daughter more than 30 years later!

The 1990s and 2000s

Erin Kenison is pursuing her doctorate at Purdue University in Lafayette, IN.

Gabrielle Glickman is working as an Office Engineer for Clark Construction, a general contractor in Bethesda, MD.

She is doing a 2 year program rotating between project management, field engineering and pre-construction. She is currently

Jess Palmer, Lindsay Wetmore Murachver and Liza Bruno gather for the wedding of **Laurence Laroche Cadoret** (05).

Alumni notes are listed under the decade to which the majority of their camper years fell.

Whatever happened to...

Julia Lingham

Julia Lingham Tanton is currently working as Special Assistant to the President at the U.S. African Development Foundation, based in Washington DC. She has recently completed two years in Uganda as a Peace Corps Volunteer, where she worked as a literacy specialist in a primary school in the south of the country. She recently got married to another Peace Corps she met in Uganda, and invited some old Huckins friends to the wedding! Huckins has influenced Julia's love of public service, commitment to social justice and, of course, that sense of enthusiasm that comes with every Huckins girl.

Our Spring 2016 Huckonian will focus on this Huckins alum... can you guess who it is?

2015 Women's Empowerment Days

This summer there were two Women Empowerment Days at Huckins, one in July and one in August. Both were well attended, so thank you to our 35 courageous alums who came and visited for the day. Empowerment Day is about campers learning to find their voice as a woman, meeting Huckins Alumna and another bonus of the day is that the Camp Staff networking with Alumna.

The groups were diverse and included a few notorious Huckins Ladies - June Loud, a camper in 1929, Audrey Vorperian, Co-Camp Director 1965-1987 and Judy Snell, former Camp director 1989-2003. Each volunteer was assigned a cabin and then at the bugle they headed off to meet with the cabin groups. Emily Parker, former camper, counselor and Middler Division Leader, attended the July event. Emily returned to the Middler Division and was assigned to

X2. The campers were enthusiastic about sharing their camp experiences and curious about her and about camp when she was a camper and counselor. Campers are amazed that there used to be a soda machine. For lunch we had a "Dress as your female role model" theme. Many campers dressed as their counselors but several campers wore tags that said "Mom". The Alumna ate lunch with their cabins and got to experience a real Huckins' meal with cart girls, waitresses and lots of singing - it never changes!

After lunch, the group met in the Lodge with the staff. Alums introduced themselves and shared what they had done and were currently doing personally and professionally. There was a great mix of careers and experiences. Staff and Alums then got a chance to mingle and share information.

Emily was so glad that she came. The day was a great reminder to her "what camp does for campers staff and alums". Huckins ladies, if you could not make it this year, please consider volunteering next year. Alamen to all who participated!!!

Leadership

We had amazing weather for our 6th Annual Mother Daughter Weekend with 275 in attendance, a new record! On Saturday, 118 campers swam to the island – our largest group ever! We also had 13 families become Hucksters and 25 families were new to Huckins.

Woo hoo!... Thank you to all for so much fun!!

The Gift that Keeps on Giving

This year 178 campers reached the 5 year landmark and become Camp Huckins Hucksters! All qualifying campers are notified by mail of their induction into Hucksters and are asked to honor that achievement and recognize it's significance by making a donation to the Huckins Scholarship Fund. The fund provides scholarships to help meet the tuition needs of qualifying campers. The Hucksters are asked to find a way to earn the money for their donation to make the gift especially meaningful.

Hucksters are very creative and each year find a variety of ways to raise

monies for their scholarship donations. This year three new Hucksters using different strategies went above and beyond in their support of the Camp Huckins Scholarship Fund. Coleen Boucher donated \$50 from her earning from babysitting jobs she had during the course of the year. Julia Johnston did a variety of jobs around the house and donated \$110 of her earning from those efforts. Corinna Kent canvassed the neighborhood

Corinna Kent

soliciting orders for home made cookies. Her salesmanship resulted in a donation of over \$500 for the Scholarship fund! Each young lady expressed their love of camp and how important that experience would be for others. Congratulations to all Hucksters!

Thank You!

2015 Huckster Donations:

Huckins Quilt donated for Scholarship Fund

This summer, alumna Patti Sullivan, donated this quilt she made so it could raise \$ for the Scholarship funds. The quilt was displayed each Change Day at the Lodge and campers could purchase tickets for the drawing. The total raised was \$400.00 and the quilt winner – from a drawing – was Allie McCarthy. Congrats Allie and thanks again to Patti for such a beautiful quilt.

Coming Soon - A New Palace!!

A landmark at Camp since it was built in 1964, "The Palace" has hosted 3 camp directors, their families and more visitors than anyone could possibly keep track of. Rumor has it that the name "Palace" was bestowed because at the time it was built the house was the only building in camp with indoor plumbing! Demolition of the existing palace is scheduled for the fall of 2015 with the new and improved space ready for the start of the 2016 camp season. The new palace will be built on the current foot print and will be built for year round living, will have a third floor, improved meeting spaces and living quarters that will greatly improve the environment and overall

functioning of the space. This year's Annual fund gifts will go towards the construction of our "new Palace", a home that we can be proud to house our Camp Huckins Camp Director. You can donate to the Annual Fund 2015 by using the enclosed envelope.

Watch our Facebook page for continuing updates.

2015 Tri-ath-Loon

2015 Tri-ath-Loon Raises \$23,000

16 year old Huckins Alum, Haley Markos, accepts her prize from Jody Skelton after winning the 2015 Tri-ath-Loon. 17 full scholarships will be awarded thanks to our 50 triathletes. Join us in 2016.

[www. HuckinsTriathlon.com](http://www.HuckinsTriathlon.com)

An amazing group of Alums attended Alumni weekend volunteering their time to help us set up camp for the summer and the Tri-ath-Loon. Thank you, Thank you to our dedicated Alumni who give so freely of their time to help Camp!!!

Tribute

Tara Breed

July 28, 1970 – July 27, 2015

The Camp Huckins family joins in prayerful remembrance of Tara who passed away, descending from 13,088 ft summit in Boulder, Co. She was a vibrant, full of life Huckins woman, who was an avid runner and spent her free time, hiking, biking, kayaking all over the world. It was at Camp Huckins that Tara was first able to develop her love of adventure and exploration. Tara truly savored every moment of every day. She gave 100% commitment to everything she did. Her smile was limitless and will be truly missed.
