

Calling all Men of Huckins

We are excited to announce that teams for the **2016 Tri-Ath-loon** can be **coed**! This year, up to 2 men (age 15 and up) can participate as part of a team. This is a great opportunity for the entire family to participate and show their Huckins spirit.

Fathers, brothers, uncles, best friends, and significant others may swim, bike or run with you. Individual participation is still open to women only (age 15 and up). For more information, contact peter@camphuckins.com or register at:

Tri-Ath-Loon Registration Here

The Huckins Tri-Ath-Loon is a "sprint" tri, great for beginners or as training for events later in the season. A sprint tri consists of a 1/3 mile swim, 12 mile bicycle ride and a 5K run (3.2 miles). The event embraces the fun and supportive Huckins atmosphere. Contact Peter King with any questions
