

CCYMCA Camp Nellie Huckins

Mother/Child Weekend Info & Expectations

We are looking forward to a full weekend of camp fun! The information below will help you understand the opportunities, schedules and expectations. Thank you for taking the time to review it.

Meal Schedule: 8:00 am Breakfast, 12:30 Lunch, 5:30 Dinner

Bugles: Camp operates on a **bugle system**, with each bugle during the day signaling a transition and serving as a reminder. The first bugle of the day wakes camp up. Before each meal there will be 2 bugles – the first will be 20 minutes before the meal and is the signal to send at least one person from your cabin to “waitress”. The next bugle, “Soupy”, lets you know it’s time to head to the Dining Hall.

Meals: When you hear the “Soupy” bugle, you have ten minutes to get to the Dining Hall. Please wash your hands at the division bathhouse prior to heading to eat. Meals will be served buffet style and we ask everyone to wait until after Grace & Gratitude before getting any food from the buffet. Chef Joel creates delicious meals, with gluten free, dairy free and vegetarian options.

Tables are not assigned. We encourage families to meet other families during meals. Feel free to sit at different tables or even different areas of the dining hall.

At the end of each meal, we ask that you put any leftovers from your plate into the compost or trash and put your dishes in the appropriate rack in the kitchen. Each family is responsible for cleaning up their table area.

Flag: After (breakfast and dinner) we go to the Program Lodge for flag raising and lowering, and all community announcements. Sign-ups for special camp activities will take place at flag, as well as awards so we hope everyone will attend.

Capers: Each cabin group is given a **Caper Chart** – capers are jobs we all do to care for our community and help keep camp clean. Each morning after flag there is time for each family to do their caper. It will change each day so please make sure to check your chart. There are also Dining Hall capers so it is good to look ahead on your chart so you can anticipate when it is your turn. All families should send down at least one waiter/waitress to set your table prior to each meal. You are responsible for keeping your cabin and cabin area clean.

- Please help us take care of the beautiful camp grounds and spaces by putting trash and recycling in the appropriate bins. Each division has centralized trash and recycling barrels, as does the waterfront, sportsfield, and craft shop.
- At the end of camp, please sweep your cabins and take cabin trash to the divisional trash cans. Be sure to check under beds, on clotheslines and the bathhouses for personal belongings!

Activities at Camp: The schedule for the weekend will be shared at check-in. We will also make periodic announcements in the Dining Hall about special activities. When the Dining Hall bell rings, we ask that everyone is quiet and listen during announcements.

Each day, departments and activities will be set up for you to participate in. We encourage families to travel together. It is important to remember that the best way to get the most out of your time at Huckins is to join in activities. Let staff know if you have any questions.

ACTIVITY ELIGIBILITY:

Unless Camp is notified by a participant/parent/guardian with specific limitations it is understood that all campers are eligible to participate in all other activities.

If you will be arriving after dinner starts please be prepared to eat on the way. As it gets closer we will send you a list of local places. Mother/Child weekend will end after lunch on Sunday.
