GRADE

TUITION AND APPLICATION FEE

At Camp Huckins, we know the value and lasting impact of a Huckins Experience. We strive to ensure that a Huckins summer camp experience is accessible to as many children as possible. Rather than raising rates across the board and pricing some families out of a Huckins experience, we offer a voluntary 3-tier tuition system that recognizes that families have different abilities to pay. This is an honor system and your family's tier choice is strictly confidential. All campers receive the same incredible Huckins experience no matter which tier they choose to pay!

Tuition Fees: Tier 1: $3,050 Tier 2: $2,800 Tier 3: $2,250

Plus, a non-refundable $250 Application Fee.

TIER PRICING

Tier 1: This price most accurately reflects the full cost of operating and maintaining Camp. This tier helps to ensure that Huckins is available and thriving for future generations of campers.

Tier 2: Thanks to the efforts of our hard-working volunteers and donors, we are able to offer tier 2 for those families who need some assistance with the full cost of camp. This tuition tier is partially subsidized for each camper through the Huckins Fund.

Tier 3: This tier tuition is subsidized by the Huckins Fund and endowment funds. It is designed to assist those who might otherwise be unable to attend camp. Families applying for financial assistance should register at Tier 3.

In addition, financial aid is awarded based on financial need or other extenuating circumstances. Applications for financial aid may be requested when applying.

The person who submits the application is responsible for payment of all fees. 50% of tuition is due March 1, with the balance due by May 1st. We also offer a monthly payment plan beginning February 1. *Think about your payment plans now - partial payments will not be accepted after May 1st.* If full payment is not received by May 1st, the spot will be given to a child on the waitlist. No adjustments will be made for delays in arrival or leaving before the scheduled date.

WAIT LIST

If your child is placed on the Wait List, you will receive an acknowledgement. We will contact you as space becomes available. If you wish to remove your child from the Wait List, please contact the Registrar as soon as you make that decision.

CANCELLATION POLICIES

If you need to cancel your camper's registration, please notify the Registrar as soon as possible. Camp Huckins has a no-refund policy after May 1st, for both application fees and tuition payments apart from medical refunds.

MEDICAL INFORMATION

All campers must complete a health form online. Accepted families will receive more information about our online health form and ordering medication.

CAMP BANK

All charges (such as Hikes and Waterskiing) will be charged to your Camper's account. Campers who would like to try all normally will spend around $50(less for campers who do not waterski). 9th grade W campers & CITs will have an additional camp bank charge for trips and clothing. This could be up to$125 for extra activities.
Families will receive an invoice after the session ends. If payment is not received by the due date given, we will charge the most recent card used for any balance due.

After careful consideration, we have made the difficult decision not to offer horseback riding at Huckins in Summer 2027. Horseback riding has been a special part of the Huckins experience. We are committed to providing safe, affordable, high-quality programming for our campers and feel it is important to take this time to pause and reevaluate the program.

We appreciate your understanding and are excited for all the fun, friendship, and special moments our 100th summer will bring! Please don't hesitate to reach out with any questions.
