Confirm your child's current grade. Answer questions about session flexibility, month eligibility, returning camper status, alumni connections, and whether your family is new to our camp.

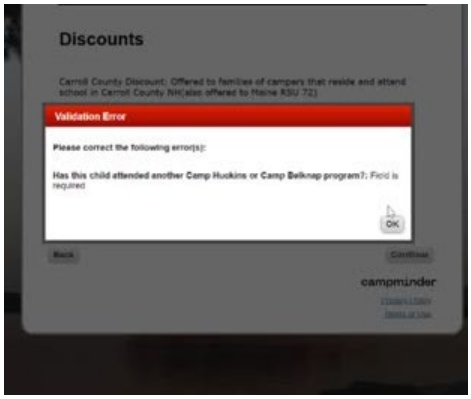

Apply discounts if eligible

Choose any discounts that apply, such as Carroll County or sibling discounts. These discounts will be added later and will not reduce the balance on the billing portion of the application.

Fix any missing answers

If you missed something underlined in red, go back and complete it. In this example, the question about attendance at another Huckins or Belknap program must be answered before continuing.

Review billing information

Check the mailing address and review the selected session carefully. The deposit is non-refundable, and will be processed if your camper is accepted.

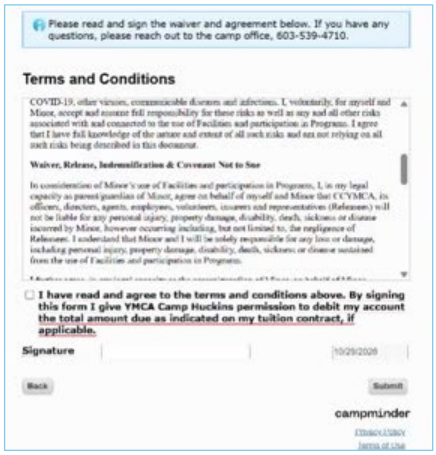

Choose a payment option

Select how you want to handle the deposit and remaining balance. Options may include installments by credit or debit card, e-check, or financial aid.

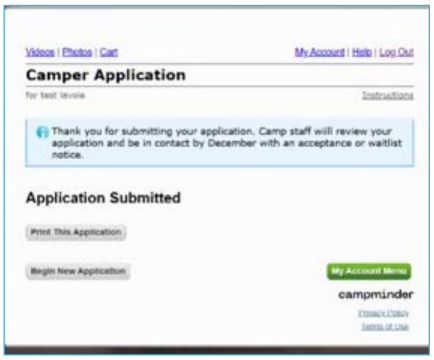

Agree to the terms and submit

Read the terms and conditions and waivers, agree to them, sign, and submit the application.

After submission

You can start a new application for another child, print or download the application, and watch for an email confirmation. Camp staff will review applications and follow up later.
